

ISCEV@ARVO – May 1, 2010
Ft. Lauderdale Convention Center, Room 317/318

The Western Hemisphere Division of the International Society for Clinical Electrophysiology of Vision will meet **Saturday, May 1, 2010, from 3:00 to 7:00 pm, at the Greater Fort Lauderdale Broward County Convention Center** (1900 SE 17th Street Causeway, Fort Lauderdale, Florida) preceding the ARVO Annual Meeting 2010.

All topics from clinical electrophysiology of vision will be considered for presentation. Plan to have ten minutes for your oral presentation with five minutes for discussion.

Following the scientific session, a cash bar will be available. The cost for registration, is \$50.00. Parking will be free with vouchers provided at the meeting.

I would also like to re-institute an associated dinner. Unlike previous years, I would like to have this dinner at a local restaurant (Bimini Boathouse?) and have all pay for their own food. Please indicate on the registration form if you are interested in this activity.

PLEASE COMPLETE THE REGISTRATION FORM BELOW BY MARCH 31st 2010.

Cash payment in the appropriate amount (in US dollars) will be collected at the meeting.

If you have any questions, feel free to telephone me at (617) 871-4131 or send an e-mail to Mitchell.Brigell@Novartis.com. I hope that you can join colleagues interested in electrophysiologic testing of visual function at this annual ISCEV @ ARVO meeting. It usually promotes lively discussions and always revives research interests and renews friendships.

Sincerely,

Mitch Brigell, Ph.D.
Vice-President for the Americas ISCEV

Registration

I plan to attend the meeting \$50/person

I will give a short informal presentation (deadline for presentation submission is 3/31/09)

Title of presentation:
